

The Garda Trentino extra virgin olive oil meets the Orient...at the Armonia Wellness Centre

The emollient, antioxidant and firming properties of Garda Trentino extra virgin olive oil have been combined with the richness of oriental herbs to develop new and unique body treatments.

Extra virgin olive oil

Highly compatible with the acidity of our skin and rich in precious substances such as squalene and phytosterols, this extra virgin olive oil has an emollient and protective effect for the skin thanks to essential linoleic and linoleic fatty acids, the important vitamins K, A, E, D and phenolic compounds.
